

# French Up My Shopping

**3 hours - \$420\***

Complementary hour: \$85

\* AUS Dollar

## Fact

**Nine out of ten women own at least one item of clothing they have never worn. *Oui* you know this article that you bought one day convinced that you will wear it and that finally lost all your interest in the wardrobe.**

## The programme

Shop differently and learn how to shop like a real Parisian.

Caroline will give you French tips to know how to save money and build a stylish wardrobe. It is not about fashion, it's all about your style.

- \* Save time and discover how to find the right outfits for you.
- \* Learn how to be selective and save money by choosing only clothing that you will wear.
- \* Learn how to think twice before buying, I do repeat it is not about fashion, it's about style and then about your style.
- \* Increase your self-confidence.
- \* Highlight your uniqueness with the right pieces.

More or less hours can be arranged (minimum 2 hours required). It's French up to you!
